

WAGNER-STEMPEL RIESLING
RHEINHESSEN HEERKRETZ GG 2016

One of the great dry rieslings of 2016 and although it comes from "mellow" Rheinhessen this has an extremely northerly personality. Enormous minerality is interwoven with the pineapple, citrus and wild herbs character. Sensational balance and a very long finish. If possible wait until 2020, but this will age well beyond 2040.
